NUMBER 18

ELECTION RETURNS OF THE VARIOUS PRECINCTS

On Monday the Board of Supervisors of Greenlee County met at the court house in special session to canvass the primary election returns. After several hours of close application to the long list of figures the job was completed and the nominations were found to stand as compiled in the table in last week's Era. Although the figures in a great many cases varied materially from the unofficial report, there were no offices so close that the official count in any way altered the standing of the candidates.

In another column is the official count as made by the Board of Supervisors.

The following are the Democratic nominees for Precinct Committeemen of the several precincts:

BUSINESS DEALS IN CLIFTON MANY

Several Realty and Business Deals Have Been Consummated in Last Two Weeks

Several business transactions of importance have been consummated in Clifton during the past two weeks whereby considerable property has changed hands. Last week a deal was concluded in which the Clifton School district purchased the property of C. W. Young on Chase Creek, formerly occupied as a corral and transfer. The buildings will be razed and the grounds improved and a play ground made for the children of the Chase Creek school.

Mr. Young in turn purchased the lot and building owned by George Webster in South Clifton and occupied by the Merrill Transfer. He also bought the entire transfer business of H. M. Merrill, which included all the live stock, wagons, etc., and will in the future conduct the business from his new location.

To keep the ball rolling, Merrill & Hoyt this week purchased the Gun Billiard Hall from Wright & Swift and will take possession of the new business the first of the week. Messrs. Merrill and Hoyt, the new owners, are contemplating several changes in the interior of the building which will greatly improve its appearance as well as giving a new line of sport to the patrons of this popular resort. The interior will be repainted and decorated in lighter colors, two new skylights will be put in the large ante room for the convenience of the patrons at the reading and card tables and two new bowling alleys will be built in the rear of the building. These alleys will extend from the main building across the rear of the Fashion Barber Shop and when completed will be one of the best alleys in the state, as no expense will be spared in their construction. It is the intention of the management to arrange for pool and bowling tournaments during the coming winter months and under the progressive management of Merrill & Hoyt the Gun will no doubt be the center of attraction for those enjoying these lines of entertainment.

In order not to be left out in the cold S. C. Swift closed a deal whereby he becomes one-third owner of the Elrage ranch near Sunset and will become a full fledged cowpuncher at odd
